

RESOLUTION
236-97

WHEREAS, Whitman County owns and operates the only solid waste handling facility with a Health Department permit within this jurisdiction;

WHEREAS, this transfer, landfill, asbestos and household hazardous waste handling facility adheres to the Washington Department of Ecology's Minimum Functional Standards and the State Solid Waste Planning Guidelines;

WHEREAS, this waste handling facility will be maintaining its waste handling facilities for the eminent future;

WHEREAS, all incorporated communities in Whitman County must submit a local solid waste management plan in accordance with state statutes, or act in concurrence with a countywide plan;

WHEREAS, Whitman County has prepared a 1997 countywide Solid Waste Management Plan in accordance with state regulations,

Therefore, the Farmington City Council concurs with the 1997 Whitman County Solid Waste Management Plan and adopts it for our jurisdiction.

Done at Farmington, Washington, this 14th day of July, 1997.
